2. Adoption of Agenda/Approval of September minutes

A quorum was not present so September minutes will be approved at March meeting.

3. Update on Habitat Projects (Grant Recipients) (45 min)

- Updates from grant recipients

Spillway Project: Invasive species treatment has been extended until 2018. The bid for the habitat work came in under budget, additional habitat work will be done. The fishing pier will be installed in the next month in Clinton Township.

McBride Drain- Securing temporary construction easements.

Partridge Creek- Work is underway on the Gloede Drain. **Before project drone footage???**

Clinton River Corridor Project- There is no work going on right now the site has been stabilized for winter and work will start up again in the spring.

Shelby Township Projects- the Shelby Picnic site is ahead of the Frisbee sites. Hoping to submit permits before the holidays. Frisbee design almost completed and the permit will be submitted early next year. They have added an additional component downstream of the footbridge at the request of the township.
